## Description:

Continuing Chronicles acclaimed series of artist books for kids, Wideness and Wonder is the fascinating story of the mysterious and beloved artist Georgia O'Keeffe. Well-known childrens biography writer Susan Goldman Rubin traces the events that shaped O'Keeffe's art and how art influenced O'Keeffe's life in return. Wideness and Wonder is colorful, accessible, and packed with the art that made O'Keeffe so renowned.

This was a gift for my 7 yr old granddaughter who is very interested in the lives of artists. I read it all before giving it to her and was impressed at its depth. Sometimes there was almost too much detail about things that weren't that important to her life or the narrative but by and large it was a good read.
